Portfolio holdings are subject to change without notice and may not represent current or future portfolio composition.

Portfolio holdings are shown as of the date indicated. Since market conditions fluctuate suddenly and frequently, the portfolio holdings may change and this list is not indicative of future portfolio composition. These portfolio holdings are not intended to be and do not constitute recommendations that others buy, sell, or hold any of the securities listed.

Unlike the fund's regulatory filings, the portfolio data and its presentation in this document are not required to conform to Generally Accepted Accounting Principles (GAAP) and Securities and Exchange Commission (SEC) presentation requirements. Therefore, it differs from that in the complete statement of investments in the annual and semiannual report to shareholders filed with the SEC on Form N-CSR, and the complete statement of investments provided in the first and third quarter SEC Form N-Q filings for each fiscal year.

For short term liquidity purposes, the fund invests in repurchase agreements "repos". There are risks associated with repos such as the counterparty to a repurchase agreement defaulting or otherwise becoming unable to honor
